

### Removal of Archons and Parasites

**I am soul in a human body. With my strength and power, with the strength and power of my free will, with the strength and power as a multidimensional being, with the strength and power of my body and all its perfect functions, with the strength and power of my mind, with the strength and power of the primal love of all being, with all my conscious and unconscious parts,**

I now remove all reptilians, dragons, Santiners, Anunnakis, demons, the Grays and their followers, all forms of parasites, with all their offspring, eggs, dead parts and excrement, microorganisms, viruses, bacteria, fungi and their spores, insectoids, spiders and spider-like creatures and their nests, scorpions, snakes and serpent-like beings, cockroaches, self-created beings and entities, all human-like beings and entities, morgellons, nanobots, mantis, felinoids, witches, wizards, masters, destructive astral beings, extraterrestrials and cosmic entities, occupations and manipulations of all kinds.

I remove everything named, along with all causes and consequences, from our DNA, from all our cells, from all our bodies, on all levels, in all densities, times, worlds, and matrices, and I release everything.

I suck everything into the Galactic Vacuum.  
Suction! Suction! Suction! Now! (You can clap your hands three times)

I completely entrust the responsibility for the transformation of these energies to the primal source of all being.

I now fill the free space with my original essence and with the primal love of all that is.  
With love and gratitude. Now!
