

I decide now

I am a soul in human body. With my strength and power, with the strength and power of my free will, with the strength and power as a multidimensional being, with the strength and power of my body and all its perfect functions, with the strength and power of my mind, with the strength and power of the Primal Love of all being,

I decide now...

This for my highest good and the highest good of all involved. In love and gratitude. Now.
